BRIDE & GROOM FEEDBACK: WHAT THEY'RE SAYING *about us?*

MS RUBY

Our beloved bride, Nov 2022

"Working with Ville De Mont was an absolute pleasure. The shared vision between the planner and my husband and me, while seemingly simple, requires a genuine passion from our partner to elevate the service experience. This passion must stem from a deep appreciation for the product they create, even before considering the guest experience. I learned a great deal during my collaboration with Ville De Mont. For instance, the ability to care is not just an option but a privilege. The privacy we enjoyed for our wedding was genuine and effortless, thanks to the resort's elevated location. The convenient accessibility, even for our maternal and paternal grandmothers, further highlights the need for exceptional service and attentive support."

FROM TRANG & TOAN

With love, Aug 2023

"With hearts filled with gratitude, we extend our sincerest thanks to Ville De Mont - the extraordinary venue that marked our recent wedding. Thanks to the meticulous assistance of Nhung and Thuy, everything surpassed our expectations. They were always attentive to our needs and fulfilled every request with an incredible level of care. Their dedication truly shone through, making us feel truly special on our big day. They even went above and beyond by gifting us a wooden plaque engraved with the name of our villa. But perhaps the most memorable moment was when they suggested and agreed to move the ceremony to the following morning due to weather concerns. This decision proved to be a stroke of luck, blessing us with perfect weather and ensuring that our wedding was captured in stunning cinematography that we will cherish forever.

The view from Ville De Mont was nothing short of breathtaking, leaving everyone in awe. The flawless ceremony setting and the beyond-perfect weather were something we take immense pride in. We wholeheartedly believe that the view could rival any mountaintop wedding in Malibu or Colorado."

MS PHUONG ANH

Our charming bride, Jul 2024

"Honestly, the past few days in Sapa have been incredibly memorable for me. I still haven't gotten over my beautiful wedding. I want to thank the resort for providing an absolutely wonderful experience for me and Bao, as well as our guests. I received numerous compliments from friends about our resort, from the space inside and outside the rooms to the services and the kind treatment from all the staff. For our wedding to be this successful, many factors were involved, but the resort was a significant one. I want to thank Ms. Nhung and the team for enthusiastically supporting us, even though we were quite demanding. I want to thank Mr. Hung and Ms. Huong for cooking such delicious food and providing excellent drinks. We felt like the staff at the resort were family; they gave us a warm, comfortable, and attentive experience. Additionally, we loved the special privileges we received as the bride and groom, like the wooden sign with our names in front of the villa, and the small gifts we received every time we returned from an outing. It made us so happy! The night after the wedding, when we returned to our villa, the room was beautifully set up like a honeymoon suite, which we adored! If you ask me what impressed me the most, I can't choose because everything was so impressive. I really hope to return to Sapa and Ville De Mont as soon as possible. See you soon."
