The Setting

Our exclusive estate, nestled on the borders of Montgomeryshire and Shropshire and surrounded by five acres of beautifully kept grounds, captures the sheer elegance of the Welsh countryside with its historic gardens and expansive lawns.

Season by season, the landscape around the hall transforms, offering a unique backdrop for your wedding. Imposing Cedar of Lebanon trees and vibrant borders frame your memories in natural beauty, whether it's in the height of summer or amongst the rich tones of autumn. The grounds are a photographer's dream, providing endless opportunities for breathtaking photos, idyllic outdoor ceremonies, and leisurely receptions.

When you choose Garthmyl Hall for your wedding, we give you exclusive use of the hall and grounds, meaning you and your guests are free to slow down, settle in, and make the most of the picturesque surroundings.

Your Ceremony

The moment that truly matters, this is where your story begins. With a capacity for up to 150 guests, we provide the flexibility to host a ceremony that perfectly reflects your personal taste and wedding vision.

Exchange vows and seal the deal with a kiss in the Walled Garden, where you'll be surrounded by seasonal blooms and natural beauty, or inside our Ballroom, where sophistication and charm are part of the architecture. Prefer an indoor setting with a twist? The Summer House awaits, blending botanical vibes with a hint of rustic elegance.

As a licensed venue, Garthmyl Hall proudly hosts both civil and humanist weddings on-site, allowing for a seamless blend of contemporary design and personal significance, and for those inclined towards tradition with a touch of charm, churches in nearby Berriew and Montgomery provide the perfect backdrop.

The Party

With a starlit sky and a sprinkle of fairy lights, the arrival of twilight means it's time to dial up the evening's festivities. The smooth transition from the wedding breakfast to the party is guaranteed, with our attentive staff ready to serve up your favourite drinks (post-meal espresso martinis always go down well!) and a wide selection of alcoholic and non-alcoholic options.

The Marquee, capable of hosting up to 200 guests, is the epicentre of your evening. It's the ideal spot for everyone to gather and celebrate, inviting you to dance the night away.

Considering an outfit change? This is the moment for it—step into something with sparkles, sequins or feathers to fully embrace the revelry ahead.

With a live band or DJ setting the soundtrack, or perhaps a playlist you've carefully curated yourself, the music will carry you and your guests into the early hours. When it's finally time to wind down, the Cellar Bar offers a cosy spot for a final nightcap before retiring to one of our luxurious guest bedrooms.

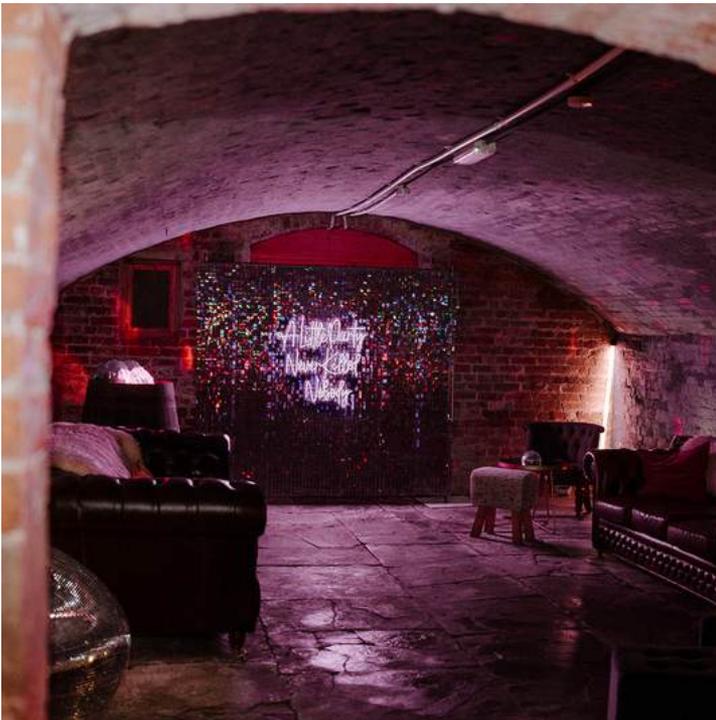

Your Wedding Food

We believe that exceptional food is at the heart of an unforgettable wedding celebration; that's why we've partnered with four of the finest caterers in the field: Comyn Bruce, Tallulah & Co, Paisley Flour, and Wild Garlic, each eager to work with you to create a menu that perfectly complements your special day.

They each bring a unique flair to the table, offering an extensive variety of culinary delights that emphasise seasonal dishes and local produce. Whether it's a bespoke five-course tasting menu within the grandeur of our Ballroom or Orangery, a relaxed BBQ in and around the Summer House, or a traditional hog roast in the Walled Garden, the focus on fresh, locally sourced ingredients ensures that every dish is as memorable as the occasion itself.

The possibilities are as vast and vibrant as the seasons, guaranteeing a feast that is not only tailored to your tastes but also celebrates the best of what's around us.

Drinks & Wine

In order to craft the perfect drinks reception to kickstart your celebration, we offer bespoke packages that can be customised to your heart's desire, including the option for a personalised cocktail!

Following this warm welcome, our curated wine list comes into play, carefully selected to accompany your meal with both well-loved classics and exciting new discoveries. For those looking to add a personal touch, our flexible corkage option allows you to bring along your favourite bottles to share with guests.

This experience is brought to life across our three unique bar areas. The Gentleman's Bar, with its proximity to the Ballroom and Orangery, offers a refined setting for classic elegance. The Cellar Bar, known for its lively atmosphere, provides a dynamic backdrop to impress and entertain. Lastly, the Summer House Bar is the ideal choice for an airy, outdoor drinks reception, ensuring every moment of your celebration, wherever you are, is catered to with sophistication and style.

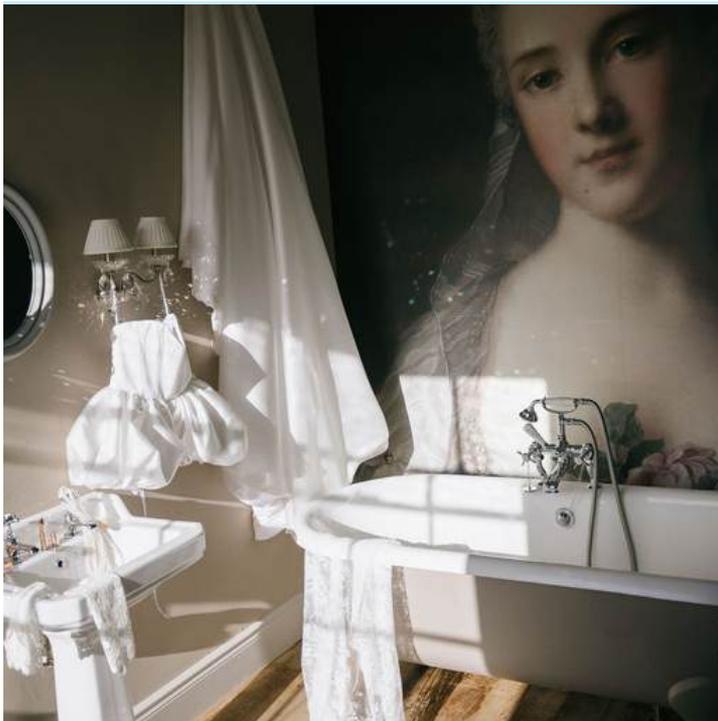

The Honeymoon Suite

The Honeymoon Suite offers secluded luxury in its own private wing, featuring a super king-size bed amidst plush antique decor, gilt sofas, and shimmering chandeliers. Surrounded by your nearest and dearest, prepare in style within the suite's exclusive dressing room, boasting a 7-foot gilt mirror and stylish, elegant furnishings; this is the perfect relaxing and refined spot for a quiet (and excitement-filled) morning.

But that's not all; the lavishness extends to a spacious en-suite bathroom with a slipper bath, double vanity, and a striking floral mural, complemented by an additional double shower room for utmost convenience. Framed by large windows, our Honeymoon Suite also provides a luxurious retreat for the newlyweds to unwind and reminisce about the day's joyous events.
