IRENA & NATHAN (April 2023)

“We had the most incredible stay at Domaine de Canaille. Marie recommended her amazing chef Jeremy and we have never had such delicious food. The hospitality of Marie and her team was something we had not experienced before, and we are so appreciative of the wonderful wedding we had.”

ALICIA & YANN (June 2023)

“We were so lucky to be able to get married at the Domaine de Canaille. The estate was perfect, exactly what we were looking for – a sublime venue with a lot of charm. Sofia, who took care of us on-site, was lovely, and Marie, the owner, was always available for any questions before and during our stay.”

KARITA & SANTERI (September 2021)

“We had our small wedding at Domaine de Canaille and it could not have been a place more special for a weekend of love and joy! This property is perfect not only for the killer views, but down to every little detail in the house. The house chef and his staff exceeded our expectations! We are looking forward to returning some day and until then we'll keep dreaming about our magical days there!”

NATHALEIG & PAUL (September 2021)

“My friends, family and I had the most incredible stay at Domaine de Canaille! We celebrated our wedding there and it could not have been a more perfect setting. The property itself is so gorgeous, and the already incredible pictures do not do it justice! The setting and views are even better. I would recommend Domaine de Canaille for any group looking for a truly special and once in a lifetime holiday or event setting.”
